

Dragon Gets By

(Grade 2 Theme 1 Selection 1 Summary)

Dragon was out of food, and he was very hungry. He went to the store to buy some food. The store was on top of a hill.	14 27
Dragon got a lot of food and put it all in his cart. He had so much food that he could not fit it all into his car. What could he do?	44 59
Dragon had an idea. He would eat some of the food. Then he could fit the rest in his car. He sat down and ate. He kept eating and eating. Soon, all of the food was gone. But now Dragon did not fit into his little car!	73 89 105 106
Dragon had to push his car home. The car rolled down the hill. It rolled very fast, and he could not keep up. At last, Dragon's car stopped in front of his house.	120 134 139
All of this running made Dragon hungry. But he still did not have any food in his house.	152 157
"Time to go shopping," said Dragon.	163
