

Tanya's Reunion

(Grade 4 Theme 2 Selection 2 Summary ELL)

Tanya was excited. She and Grandma were taking a trip to a farm.	13
Her grandmother grew up there. The whole family would be coming to	25
the farm. They were having a family reunion. Tanya and Grandma	36
went to the farm a few days early to help get everything ready.	49
When Tanya got to the farm, it wasn't what she expected. The	61
farmhouse was old. There weren't any animals. It rained all the time.	73
Grandma was too busy to spend time with her. Tanya was unhappy	85
and wanted to go home.	90
Grandma finally realized that Tanya wasn't happy. Grandma told	99
Tanya about when she was young. She talked about the farm, and all	112
the fun she had growing up there. After talking with Grandma, the	124
farm started to seem interesting and exciting.	131
Tanya helped get ready for the reunion. She fed the chickens and	143
picked apples. Tanya found an old piece of wood with her	154
grandparents' initials in it. This made her feel proud. She felt closer to	166
her family and their history. Tanya saw that she could enjoy being on	179
the farm.	181
